SETTINGS THAT LEAVE THEIR MARK

Red wine produced with the cabernet sauvignon variety from two quite different plots. The coastal plain grapes, closer to the sea, provide us softness, sweetness (greater presence of alcohol and sugar) and the saline touch characteristic of the Mediterranean, while the grapes of the Pre-coastal Range, grown at higher altitudes, give us freshness, aromas and structure. The delicate connection of two worlds, the subtle harmony of two extremes.

Claret in colour with orange reflections. Intense aromas of ripe black fruit (**black currant** and **picota cherry**), spices (**black pepper**), and **li- quorice**. Light memories of **cedar**, toasted pepper and toffee caramel. On the palate, it is fresh, fruity and very round. Long, persistent finish.
