BATHED IN SUNLIGHT

Between the Pre-Coastal Range and the small Mediterranean coastal plains, Merlot is born. Our vineyards face south to receive the sea breeze in all its vigour and the intense summer sun. This allows its fruits to ripen slowly until reaching optimal sweetness. Lyrical and sensory synergy captures the land's essence.

Pairing: *frutti di mare* pizza

Pink in colour with strawberry-hued reflections. Aromas of red fruit (**strawberry** and cherry), stone fruit (**vineyard peach**), and citrus (**grapefruit**) over a perfumed floral (**orange blossom**) and herbeaceous (fresh grass) background. Recalling **lollipops** and gumdrops. On the palate, it is light and fruity, with a long, refreshing finish.
