NATURAL ESSENCE

With the goal of preserving the natural balance of our environment's flora and fauna, we made our Brut Rosé Nu with trepat and garnacha tinta from organic farming. Aged 12 months, this cava reveals itself as it is: without artifice; pure, genuine, and authentic; respectfully expressing all the grape's flavour and aromas. It is the past, it is the present, but above all, it is preserving tomorrow. Our highest duty is to the earth, and to those who will work it after us.

Pale pink in colour. Creamy, well-integrated bubble. Aromas of cranberries and drunken cherries on a background of violets, grapefruit and pastries. On the palate, it's intense and expressive, with a long, fruity finish.
