CROSSING PATHS

In the heart of Penedès, among old paths abundant with history, our cabernet sauvignon vines grow. A sheltering land that welcomed this exceptional variety more than 40 years ago. A small grape with firm flesh which, influenced by the gentle Mediterranean climate, rewards us with balanced wines and intense aromas of ripe fruit. A real treasure which the unyielding passage of time (12 months in the barrel) rounds out and fills with nuance; the sincere reward for perseverance.
